Each applicant or recipient of direct assistance will be given a written, detailed explanation regarding the ultimate denial or discontinuation of services. This explanation will include action needed or issues to be resolved for successful reapplication or reinstatement, if applicable.

Client Grievance and Appeals Process

This procedure has been established by The Native Village of Eyak to assist clients in resolving any complaints or grievances arising from any real or perceived violations of clients' rights. No specific printed form is necessary to file a grievance; however, a grievance must be in writing. The document must clearly state the problem(s) by describing the actions taken or not taken by The Native Village of Eyak staff and it must also outline possible solutions and/or resolutions.

An earnest effort will be made by The Native Village of Eyak staff and administration to resolve problems encountered during all stages of program participation. The following steps outline the recommended procedure for resolution of complaints or grievances regarding the service components of The Native Village of Eyak.

Grievance Process

Submit a complaint in writing to The Native Village of Eyak. An informal meeting with the 477 Director will be scheduled to discuss the complaint and an informal decision regarding the complaint will be made.

Appeals Process

If you are unsatisfied with the informal decision, you may submit a written request, within twenty (20) days of the informal decision, for a formal review of your complaint by the 477 Program staff member's supervisor. The supervisor will review the complaint and all supporting documentation and will make a formal decision as to the appropriate actions to be taken. The supervisor will then issue a written response within twenty (20) days of the formal decision. If you are not satisfied with the decision, you can appeal again as per The Native Village of Eyak 447 Department Policies and Procedures.
